

How's the weather out there?

It's the first thing people check in the morning - it's the last thing they think about before they head to bed: ***what's the weather like out there?***

Our live, local weather tells listeners exactly what to expect on their morning commute, at the bus stop after school and every point in between! Up to the minute weather, on air twice an hour and on our websites 24/7/365 - Midwestern listeners rely on our weather!
