### *Christmas in the Woods*

**9:30 am Icicle Ornaments**— Snow is a perfect match for the winter holidays. Join a naturalist as we explore the forms of water and decorate our own icicles to hang wherever we please! **Meet at the Resource & Education Center. Cost is \$1 for 3 icicles. Limit of 30 participants.**

**11:00 am Festive Cupcake Decorations**— Create warm memories in the cold of winter by decorating your own holiday cupcakes. They will taste as amazing as they look. **Meet at the Resource & Education Center. Free. Limit of 30 cupcakes.**

**2:30 pm Picture Perfect Constellations**— While technology is getting better, capturing a picture of the breath-taking stars can be difficult. So why not just make your own? The Geminids Meteor Shower will be peaking on the 13th and 14th displaying 120 meteors per hour. While it might be chilly and the full moon may effect the view, we can stay warm inside making a picture perfect constellation from water colors and paint flecks. **Meet at Resource and Education Center. Cost is \$1 per painting.**

**Snowman Craft (All Day)**— Looking for a fun activity for the kids? Pick up a snowman ornament at the front desk of the Resource and Education Center. **Supplies are limited. Cost is \$0.50 per craft.**

**4:30 pm Lighted Hayrack Ride**— Enjoy the frosty chill of a winter evening on a hayrack that will travel from the Resource and Education Center to the Tri-State Overlook and back. **Pre-register and meet at the Resource and Education Center. Free.**

If we have snowy conditions over the weekend, please check with the front desk at the Resource and Education Center about our [Snowman Contest](#) and other winter outdoor activities.
