

# Ponca State Park

## January 11 , 2020

**10:00 am Winter Critter Corner** — Have you ever wondered how critters stay warm in the winter or where they find food? Join us for Winter Critters of Nebraska where participants will be able to see and touch critters, furs, feathers, shells, and skulls. **Meet at the Resource & Education Center. Free.**

### **1:00 pm Winter Survival Basics** —

Learning survival skills is an excellent opportunity to improve your ability to care for yourself in the event of a cold weather emergency. Winter can be a little harder on everyone, so join a naturalist to learn ways to survive these crazy winters and how some of the animals outside are doing the same. Participants will learn how to create shelters, start a fire in the snow, and provide for their basic needs all while having fun! **Meet at the Resource and Education Center. Free.**

**3:00 pm Animal Faces** — Have you ever wondered why many owls have rings around their eyes or why venomous snakes have a triangular head? Learn the reasons behind these unique faces and decorate your own animal face to take home. **Pre-register and meet at the Resource and Education Center. Limited to 20 people. Cost is \$1**

***per craft.***

If we have snowy conditions over the weekend, please the front desk at the Resource and Education Center about our [Snowman Building Contest](#) and other winter outdoor activities.

Visit our Facebook Page, **Ponca State Park, NE**, to view our upcoming events. All programs subject to change due to staffing/weather. Have questions? Please call **(402)-755-2284**.
