

EASTER EGG HUNT 2020 RULES

Two part clues are given multiple times each weekday on both Big Red Country KTCH and The City KCTY. You'll hear part one in the morning and both parts in the afternoon. Previous days clues will be available in written form the following day only at the participating sponsors listed below. The clue will tell you what the so called "egg" is and where it is. Remember, it's always in plain sight. You don't have to dig, move, climb or destroy anything to find it. It is not on private property so please stay in areas open to the public and avoid dangerous places. The person who finds the egg and brings it to our studios just west of Wayne will win the entire prize package.

PLEASE OBSERVE APPROPRIATE HEALTH DEPARTMENT GUIDELINES DURING THE CONTEST

Each Sponsor will have a copy of the previous days clues posted in their business.
