NFHS Softball Rules Modifications:

Face Shields (1-7-1, 1-8-4) - Per guidance from the NFHS Sports Medicine Advisory Committee, plastic shields covering the entire face (**unless integrated into the face mask and attached to a helmet and clear without the presence of any tint**) shall not be allowed during contests. Their use during practices increases the risk of unintended injury to the person wearing the shield or to teammates.

Facial Coverings/Additional Equipment (1-8): Cloth facial coverings are recommended but not required. Facial coverings must be of one color, not distracting and have no designs. Pitchers cannot wear optic yellow cloth facial coverings.

Pregame Conference (2-14-2): Limit attendees to one coach from each team plus the umpires. Coaches should stay outside the width of the batter's box at home plate, maintaining 6 feet of distance between each person.

Substitutions: (3-3-3): The verbal exchange should occur 6 feet from the coach to scorer and opposing team when making lineup changes.

Foul Balls/Coaching (3-5-1 NOTE): Umpires do not handle equipment on the field during play.

Contact with the game balls should be as limited as possible. During competition, foul balls should be retrieved by personnel from the defensive team. Simultaneously a new ball should be thrown into game play from the defensive team's dugout.

Coaching (3-5-3, 3-6-14): Coaches who wish to discuss a rule or a ruling on the field must maintain at least 6 feet of distance from the umpire.

Coaching (3-5-2): Base coaches must stay 6 feet from a runner at all times after suspension of play.

Bench and Field Conduct (3-6-6): Players are not permitted to leave the dugout area to congratulate players when scoring or after home runs. The number of individuals in the dugout is dependent on the size of dugout. Players and coaches should maintain 6 feet of social distance. NFHS rules allow for dugouts/designated warm-up areas to be extended to provide for social distancing. The dugout extension should be outside of the field.

Charged Conferences (3-7-1, 3-7-2, 3-7-3): Coaches holding defensive conferences must stay on the home plate side of the pitcher's circle, and the player or players must be on the opposite side of the pitcher's circle maintaining 6 feet of distance. No more than two players plus the pitcher are allowed. Only one coach is permitted during the conference. If a coach visits the pitcher, all other players should stay outside the pitching circle.

Exchange of Lineup Cards (4-2-1b): Lineups should be handed to the umpire, and the umpire will verbally approve or ask any questions about the lineup. It is recommended that lineup cards be exchanged team to team and teams to scorekeeper to be shared via photo or text.

Infractions by the Pitcher (6-2-2): Pitchers are not allowed to put their hands to their mouths or blow into their hands prior to pitching the ball. This will be a "no pitch." Any umpire is permitted to make this call. The ball should be called dead immediately and it will be a "no pitch." The ball should be put in the dugout for cleaning, and the pitcher should sanitize hands before play continues.

Plate Umpire (10-2-1): The plate umpire should stand deeper than normal to call balls and strikes.

Equipment and Apparel (10-4-2): Cloth facial coverings are recommended but not required. The masks must be of one color, not distracting and have no designs. The umpire may wear disposable gloves and masks.

Softball Umpires Manual Modifications

Mechanics Sections 3, 4b and c: Base umpires should maintain 6 feet of distance from any player as a starting position when rotated and/or counter-rotated.

Section 2E: The catcher and batter should be 6 feet apart when the umpire is dusting off the plate.

Considerations for Umpires:

1. Consider facility size and spacing within umpire dressing rooms. They should be cleaned and sanitized.
2. If umpires must enter the field through the dugout, the dugout should be empty with no players/coaches/team personnel.

Further Softball Considerations:

1. Players should use their own equipment (e.g. gloves, helmets and bats) as much as possible.
2. Offensive helmets do not need to match.
3. Postgame shaking of hands is suspended.
4. Limit the number of non-essential personnel who are in the press box throughout games.
5. Coaches are responsible for ensuring social/physical distancing is maintained between players as much

2020 NSAA Cross Country COVID-19 Rules Modifications & Considerations

Areas of identified risk include start & finish areas. Below describes the possibility to help manage these risks:

Start

- Teams may be called to the start line 5 minutes prior to start to minimize duration in close proximity. Cross country meets could also consider using staggered, wave or interval starts when necessary.
- If possible provide an empty starting box of 6 feet between each team.

Finish

- Consider using finish corrals and FAT timing for larger meets as it is easier to distance at finish. Chip timing at championship meets eliminates any need for contact at the finish.
- With no FAT timing system consider alternative means of finish place and time to address congestion at finish line.
- Finish area should be designed structurally and with staff to keep finishers moving in a direction directly back to the team camps immediately.
- The area beyond the finish should be large enough to allow athletes to keep moving
- Consider using image-based equipment at finish to assist with picking place to avoid congestion.

Prerace and Postrace Ceremony

- Establish cross country specific social distancing meet protocols including the elimination of handshakes before and after.
- It is recommended to not have award ceremonies

Possible NFHS Rule Modifications:

- 8-1-3a: Consider widening the course to at least 6 feet at its narrowest point.

NSAA approved changes for 2020

Class A cross country districts will be at 2 sites for the 2020 season. The NSAA will follow the previous format to determine seeding for districts.
