

Family Math & Science Night

Tuesday, November 9th 6:00-8:00 pm at Wayne Elementary School.

*WSC students and professors will offer K-6 students and their families the chance to **think, solve, explore, and learn** through fun activities involving math and science.*

Activities include:

- *Building contraptions*
- *snap circuits*
- *straw rockets*
- *using patterns*
- *math games*
- **MUCH MORE!!**

Institutional funding provides support for Service-Learning at Wayne State College
